BOARD OF IMMIGRATION APPEALS

The Board of Immigration Appeals (BIA or the Board) is the highest administrative body for interpreting and applying immigration laws. The Board's principal mission is to ensure that the immigration laws receive fair and uniform application. The Board is composed of 11 Board Members, including the Chairman and Vice Chairman. The Board reviews case decisions of the Immigration Judges that have been appealed by one of the parties to the case. The Board is divided into panels, which review incoming cases and adjudicate the appeals as quickly as possible. Certain decisions of the Board are designated as precedents, and are binding on the Immigration Judges and the parties in removal proceedings.
